Dr. Don DeYoung
“The Bible and Science: Questions and Answers”

We will explore aliens, climate change, dinosaurs, evolution, Noah’s Ark and more.

About Dr. DeYoung

Don DeYoung teaches part-time at Grace College Winona Lake, Indiana following a faculty career in science and math. He is a graduate of Michigan Tech, Grace Seminary (MDiv), and Iowa State University (PhD, physics). Don has written 21 books on Bible-science topics including object lessons for kids.

Dr. DeYoung is president of the Creation Research Society with 1600 members worldwide. He speaks on a broad range of Bible-science topics and believes that the details of nature are a powerful testimony to the Creator’s care for us.
