

03 OCTOBER 2019, 7:00 PM
DR. BARBARA HELMKAMP

**“The Dating Game:
half-lives, fossil fuels, zircons, and halos”**

About Dr. Helmkamp:

Dr. Barbara S. Helmkamp has a Ph.D. in Physics from Louisiana State University and B. S. Engineering in physics from Colorado School of Mines, and she has worked as a petrophysical engineer for the Shell Oil Companies between undergraduate and graduate studies. She completed the Lutheran Teacher Colloquy from Concordia University Texas while teaching at St. Mark Lutheran Church & School in Houston, where she was subsequently called. She is currently on the faculty of Veritas Scholars Academy (V.S.A. is an online school out of Lancaster, PA). She has also taught at Credo Academy. (Credo is a home school co-op in Lone Tree, CO.) as well as having overseen her daughters' high school educations from home. Her older daughter graduated with Honors from VSA in 2015 and her younger daughter graduated Highest Honors from VSA in 2017 and is currently a student at the University of Wyoming. Barbara, her husband Bob and their daughters are members of Christ Our Savior Lutheran Church in Elizabeth, Colorado.
