“Genesis 3 – The Fall”

The Fall into sin in the garden is no simple Sunday school fable. It is a gripping and tragic affair. Many are surprised how Adam and Eve’s historical interaction with the devil foreshadows our own sinful rationalizations, embellishing of God’s Word, cowardice and attempts at self-justification before God. But, so also, you’ll find great comfort in digging deeply into Scripture’s first promise of the coming Savior.

About Pastor Melius: Pastor Jared Melius graduated from Concordia Theological Seminary in 2005 and has served Mt.

Zion Lutheran Church in Denver as his first call from the seminary. He is a board member of the Denver Society of Creation. Pastor Melius and his wife Jan have seven children and they are often parents to foster children.
